Dear Sir:

SUPPLEMENTAL PRELIMINARY AMENDMENT

Please preliminarily amend the claims to read in full as follows:

1. (Previously Amended) A computer with a data storage device including a computer usable medium having computer usable code to present a help window for a web page displayed on a monitor, the computer usable code comprising:

first computer readable code to present a web page window on the monitor, wherein the web page window includes a web page obtained from a server;

second computer readable code to receive a help request from a user for the web page;
